Horticultural Fair. The exhibition of the Carolina Hortibecome a great fruit-growing section. We have attended the Pomological Fairs at we have seen there, while the peaches were fully up to the Northern standard. We speak, of course, as to quality. We had comparatively few exhibitors, and many of these presented only a limited quantity. But, upon the whole, the display was gratifying and astounding.

Colonel W. L. STEELE, of Richmond county, the President of the Society, excelled in the variety and excellence of his pears. Indeed, the specimen of Seckel were the very best we have ever seen.

Mr. J. B. OLIVER, of Duplin, Dr. H. A. BIZZLE, of Sampson, and Colonel John W. Ition and redemption LEAR, of Richmond, also presented most creditable exhibitions of pears. Mr. OLIVER'S "Howell" were as fine as we have ever seen.

In addition to this, from the best information I can derive, I am of the opinion that in Raleign, N. O., August 10.—The pris- this district alone there have been 1 000 tee and provide a republican government line old Conservative State of North Caro-

But you will tell me that Congress is I was ordered by a higher power than the militia and can organize its own force in every county in the United States, and The Moral of the North Carolina Etection arm more or less of it. This same Congress has the undoubted right to guaranand the pursuit of happiness," as well as the power conferred by the XVth Amendment. And yet we suffer and die in peace and murderers walk abroad with the blood unquestioned and unchecked. Fifty thousand dollars given to good detectives would secure, if well used, a complete knowledge of all this gigantic organization of murderers. In connection with an organized and prehension of any number of these Thugs tion.—Philadelphia Recorder. What then is the remedy? First: Let Congress give to the United States Courts of the States under its own laws, cognizance of this class of crimes as crimes against the nation, and let it provide that this legislation be enforced. Why not, for instance, make going armed and masked or disguised in the night time, an act of insurplayed, or where our friend Newbury, of will sustain him, that the State Supreme raged. Hundreds of cases have come to rection or sedition? Second: Organize militia, National-State militia is a nuisance-and arm as many as may be necessary in each county to enforce the laws. -Third: Put detectives at work to get hold ically repudiate both the man and his of this whole organization. Its ultimate doings.—N. Y. Times (Rep.) aim is unquestionably to revolutionize the Government. If we have not pluck enough for this, why then let us just offer our

These crimes have been of every char-

acter imaginable. Perhaps the most un-

usual has been the dragging of men and

women from their beds, and beating their

naked bodies with hickory switches, or, as

witnesses in an examination the other day

said, "sticks" between a "switch" and a

allowance, sometimes 200 and 300 blows

are administered. Occasionally an instru-

ment of torture is used. Thus in one

case two women, one 74 years old, were

taken out, stripped naked, and beaten

with a paddle, with several holes bored

an inch thick, of oak. Their bodies were

so bruised and beaten that they were sick-

and of good character until the younger was seduced, and swore her child to its

and character of the outrages. For in-

from the hearth piled upon them. The

We suspect that Holden's desire is to provoke the state of things he pretends to deplore. Having enabled the Democrats to secure a triumph in the late election, he would now precipitate the State into civil war that he may obtain pretexts for invok ing Congressional interference. Should trouble come as the result of Holden's impudent attempt to set himself above the law, the country will hold that he, and he alone, is responsible for it. The Republi can Party cannot too soon and too emphat
